Opis produktu

SOLO11 is a 2.0 bookshelf speaker system with beautiful wood finish. This new SOLO series is ideal for quality wireless entertainment with Bluetooth 4.0 technology and high fidelity stereo sound. The slope design of front panel makes sound deliver directly to one's ears. The 5" woofer and 1" tweeter provide full spectrum performance. The fine wooden cabinet guarantees the deep bass and pure vocal sound. The superior acoustic performance is mostly perfect for your bookshelf entertainment.

FEATURES

- Exquisite wooden monitor speaker for stunning stereo sound.
- Bluetooth 4.0 wireless technology for quality music streaming.
- Two-way speaker system with crystal clear sound and powerful bass.
- Slight angled front panel perfect for sound delivery to ears.
- Optical and coaxial inputs for high fidelity sound transmission.
- Support various audio formats like MP3, WMA, AVI, APE, FLAC, etc.
