Opis produktu

SOLO19 is a three-way HiFi speaker system with beautiful wood finish. This new SOLO series is ideal for quality wireless entertainment with Bluetooth 4.0 technology and high fidelity stereo sound. The slope design of front panel makes sound deliver directly to one's ears. The 6.5" woofer, 3.5" midrange driver and 1.5" tweeter bring full spectrum performance with powerful bass and uncolored sound. The fine wooden cabinet under glossy piano lacquer guarantees the sturdy audio handling and minimum distortion. The astounding audio performance is mostly perfect for your home entertainment.

FEATURES

- Fancy wooden monitor speaker for stunning stereo sound.
- Bluetooth 4.0 wireless technology for quality music streaming.
- Three-way speaker system with crystal clear sound and deep bass.
- Slight angled front panel perfect for sound delivery to ears.
- Optical and coaxial inputs for high fidelity sound transmission.
- Support various audio formats like MP3, WMA, AVI, APE, FLAC, etc.
