### Opis produktu

SVEN SPS-702 is a representative of 2.0 SVEN line. This model is aesthetically attractive – its classical appearance attracts and thrills in anticipation of its voice. Modern technologies justify this impression to the full, surrounding the user with powerful loud sound and, pleasantly, for very moderate price!

Volume and timbre control knobs are located on the front panel of the case, as well as the headphone output – so, all the settings are close at hand, ensuring absolute comfort in use. On the rear panel there are inputs for connecting various audio devices – PCs, DVD/CD/MP3 players.

SVEN SPS-702 will certainly be appreciated by those who prefer economy with taste!
